Office use only: Grader's Comments, Initials & Date:

Please carefully check book list, over page, for books that are sellable this year. Make sure you are not selling something you will need next year.

A full list can be found on the school website: www.kew.vic.edu.au/ - click on the 'Second-hand Shop' or <http://www.kew.vic.edu.au/page/45>. Print copies will also be available from the table near the school office during late November and early December. Late changes will be listed on the noticeboard there.

Workbooks: If the book has spaces for students to write in answers the KHS Second Hand Shop will **not accept a copy for sale if it has been used at all**. Rubbing out or using correction fluid will not make the book acceptable.

Unsellable books left for processing (*unlisted ePack components, wrong editions, unlisted books, workbooks with writing in them or books in very poor condition or with offensive drawings*) **will not be returned to you**. No receipts are issued, but this form can be consulted at the shop. Make a photocopy of this form for your records.

Clean up and repair your books. Locate any accompanying CDs. List them on this form (see over).

Donations

Unused stationery, books or uniforms can be left in a separate box, next to the sellers' collection bins near the school office.

Personal information included on this form is securely stored and will only be used for correspondence regarding sale or collection of second hand goods. Personal information for seller cheques may be verified with Kew High School.

The second-hand book and uniform shop is also selling eBook/electronic books this year. Please read corresponding details on this form for further information.

Books are graded as follows:

- Excellent: As good as new, sell for approx. 75% of new price
- Good: The broadest category, sell for approx. 50% of new price
- Poor: Torn or missing cover or pages, stains, drawings, 5 or more pages with permanent marks (ink or highlighter, etc.), sell for approx. 25% of new price.

Poor quality books are regarded as donations - you will not be paid for them.

Unsold books may be discounted in 2nd and 3rd terms. This will reduce your payment.

You will receive a cheque for 70% of the selling price of good and excellent quality books **after they sell**. Cheques and statements are issued in February and September. The balance is retained by the Committee for funding the School Chaplain.

Please do not bring in books that are not on this list - we do not have the space to store them while trying to find means of disposal. Try:

** obook – is an electronic code that once activated is transferrable for the life of the book i.e. book can be sold as per usual

Digital codes MUST be readable to be suitable for sale – code activated and transferrable as long as code is readable

EBOOKS – Digital components

Below is a list of books for 2018 with eBooks, electronic access codes components (eBook, interactive text, digital). **PLEASE READ THE INSTRUCTION CAREFULLY AND FULLY** before proceeding with selling a book. If you have any queries please contact Jane Andrews (second hand book sales – shop volunteer 2shopkhs@gmail.com) before proceeding. The books are listed by publisher as each has different terms regarding the access code.

NB: IT IS THE RESPONSIBILITY OF THE SELLER, not the Kew High School Second Hand Book Shop, to make sure the book code is active and indicate how many activations remain. The Second Hand Shop is not able to tell if a book has an active code or not or how many times it has been activated. Please contact the publishers to confirm activations – details supplied. Books that do not have an activation specified will be deemed to have NO active code and therefore sold at the cheapest price.

Pricing of eBooks will be on sliding scale depending on how many activations the book code has left, the licensing restrictions and the quality of the book for sale.

Generally, if an access code has never been activated it will sell for 75% of new price, 50% for 2 and 25% for 1 remaining and for 0 remaining activations 25% of component book price (i.e. combo price minus access code price – not book price if sold independently).

PEARSON AUSTRALIA

Publisher 1800 656 685 / schools@pearson.com.au

Pearson's books have a 4 year access code; an initial book activation and then 3 additional reactivations. Each activation lasts for up to 15 months. This code appears inside the cover. After the initial activation, a fee of \$20.00 will apply at each reactivation. This fee has been taken into account when pricing the books and is at the purchasers own expense and is done directly with the publisher. After 4 activations a new code will need to be purchased from Pearson's website. **If you are at all unsure about how many activations have been used, please contact the publisher.**

JACARANDA

1800 JACPLUS (522 7587) or email support@jacplus.com.au / ausjacsupport@wiley.com

Physical books contain licenses which can be registered by up to 3 different users, although the 2nd and 3rd users only receive a 'lite' access which contains the full text of the textbook but none of the additional digital resources. An upgrade can then be purchased to gain access to these resources. The cost to upgrade a second-hand eBook (after 1 first activation) to the full version for that title is \$24.95. **Kew High School requires students to have a full version.** This cost has been factored into the price and is at the purchasers own expense and is done directly with the publisher. **If you are at all unsure about how many activations have been used, please contact the publisher.** For more information visit their website: http://jacplus.desk.com/customer/portal/articles/967534-using-ebookplus-as-a-second-hand-user?b_id=5728 OR check your code validation here: <https://www.jacplus.com.au/validate-reg-code>

CAMBRIDGE

Access to the interactive textbook component is for one year. If your interactive activation code has been accessed, the new owner will need to purchase a new code to access the resources on the second-hand interactive textbook. **Kew High School requires students to have a full version.** Digital access codes can be purchased through the Champion book list for \$19.95. This has been factored into the cost and is at the purchasers own expense. If you are unsure if your interactive activation code has been activate, please contact the publisher:

NELSON

Each book comes with a Student Access Card in the back of the book. This Student Access Card contains **FOUR codes** – scratch a strip to reveal the code. **You can activate one code and leave the card in the back of the book to allow access for three others.** In this way the printed book can be used across four years by four consecutive students.

Volunteers needed

The shop is totally volunteer run. We welcome offers of help from parents, friends and senior students who have been released from school commitments. Volunteers will be working most days from 15 November to 12 December and at various other times. A large number of volunteers are particularly needed in the week leading up to 12 December. If you would like to join the roster, even for a few hours, leave your contact details at the School Office. Volunteers over 17 years of age, who are not enrolled KHS students, are required to have a Working with Children card (forms available at Australia Post and the only cost for volunteers is the passport-style photographs) or VIT card.

Kew High School **SECOND HAND SHOP:**

- Helps school families buy and sell second-hand text books and school uniforms, thus helping to **cut costs** of ED.
- Provides an opportunity for **parent volunteers** to become involved with the school.
- Helps the environment by encouraging the **recycling** of goods.
- Supports the School Chaplain: Each year the Chaplaincy Committee raise 50% of the cost of Kew High School's Chaplaincy. The **funds raised** through the sale of donated goods and the commission from goods sold on consignment help raise these funds.
