Please carefully check book list, over page, for books that are sellable this year. Make sure you are not selling something you will need next year.

A full list can be found on the school website: www.kew.vic.edu.au/ - click on the 'Second-hand Shop' or <http://www.kew.vic.edu.au/page/45>. Printed copies will also be available from the table near the school office during late November and early December. Late changes will be listed on the noticeboard there.

Workbooks: If the book has spaces for students to write in answers the KHS Second Hand Shop will **not accept a copy for sale if it has been used at all**. Rubbing out or using correction fluid will not make the book acceptable.

Unsellable books left for processing (*unlisted ePack components, wrong editions, unlisted books, workbooks with writing in them or books in very poor condition or with offensive drawings*) **will not be returned to you**. No receipts are issued, but this form can be consulted at the shop. Make a photocopy of this form for your records.

Clean up and repair your books. Locate any accompanying CDs. List them on this form (see over).

Donations

Unused stationery, books or uniforms can be left in a separate box, next to the sellers' collection bins near the school office.

Personal information included on this form is securely stored and will only be used for correspondence regarding sale or collection of second hand goods. Personal information for seller cheques may be verified with Kew High School.

Books are graded as follows:

- Excellent: As good as new, sell for approx. 75% of new price
- Good: The broadest category, sell for approx. 50% of new price
- Poor: Torn or missing cover or pages, stains, drawings, 5 or more pages with permanent marks (ink or highlighter, etc.) sell for approx. 25% of new price.

Poor quality books are regarded as donations - you will not be paid for them.

Unsold books may be discounted in 2nd and 3rd terms. This will reduce your payment.

You will receive a cheque for 70% of the selling price of good and excellent quality books **after they sell**. Cheques and statements are issued in February and September. The balance is retained by the Committee for funding the School Chaplain.

Please do not bring in books that are not on this list - we do not have the space to store them while trying to find means of disposal. Try:

Volunteers needed

The shop is totally volunteer run. We welcome offers of help from parents, friends and senior students who have been released from school commitments. Volunteers will be working most days from 13 November to 14 December and at various other times. A large number of volunteers are particularly needed in the week leading up to 12 December. If you would like to join the roster, even for a few hours, leave your contact details at the School Office. Volunteers over 17 years of age, who are not enrolled KHS students, are required to have a Working with Children card (forms available at Australia Post and the only cost for volunteers is the passport-style photographs) or VIT card.
