EBOOKS – Digital components

Below is a list of books for 2017 with eBooks, electronic access codes components (eBook, interactive text, digital).

PLEASE READ THE INSTRUCTION CAREFULLY AND FULLY before proceeding with selling a book. If you have any queries please contact Jane Andrews (second hand book sales – shop volunteer 2shopkhs@gmail.com) before proceeding. The books are listed by publisher as each has different terms regarding the access code.

NB: IT IS YOUR RESPONSIBILITY, not the Kew High School Second Hand Book Shop, to make sure the book code is active. PLEASE ACTIVATE YOUR CODE BEFORE FEBRUARY 8 as we will not be able to refund or make changes to the book after that date. The Second Hand Shop is not able to tell if a book has an active code or not or how many times it has been activated. Please contact the publishers if you have any issues with code activation. For INTERACTIVE access codes – it is your responsibility to purchase these from the Campion booklist at your expense. The price has been factor into the purchase price.

Pricing of eBooks will be on sliding scale depending on how many activations the book code has left, the licensing restrictions and the quality of the book for sale.

Generally, if an access code has never been activated it will sell for 75% of new price, 50% for 2 and 25% for 1 remaining and for 0 remaining activations 25% of component book price (i.e. combo price minus access code price – not book price if sold independently).

PEARSON AUSTRALIA

Pearson's books have a 4-year access code; an initial book activation and then 3 additional reactivations. Each activation lasts for up to 15 months. This code appears inside the cover. After the initial activation, a fee of **\$25.00** will apply at each reactivation. This fee has been taken into account when pricing the books and is at the purchasers own expense and is done directly with the publisher. After 4 activations a new code will need to be purchased from Pearson's website. If you are at all unsure about how many activations have been used, please contact the publisher 1800 656 685 / schools@pearson.com.au.

JACARANDA

www.jaconline.com.au 1800 JACPLUS (522 7587) or email support@jacplus.com.au / ausjacsupport@wiley.com

Physical books contain licenses which can be registered by up to 3 different users, although the 2nd and 3rd users only receive a 'lite' access which contains the full text of the textbook but none of the additional digital resources. An upgrade can then be purchased to gain access to these resources. The cost to upgrade a second-hand eBook (after 1 first activation) to the full version for that title is \$24.95. **Kew High School requires students to have a full version.** This has been factored into the price and is at the purchasers own expense and is done directly with the publisher.
