Office use only: Grader's Comments, Initials & Date:

Please carefully check the book list, over page, for books that are sellable this year. Make sure you are not selling something you will need next year.

Wipe over your book covers with an antibacterial wipes, place in a clean plastic bag with your completed seller form, securely tie the top of the bag, and drop into the collection bins at the general office.

Books are graded as follows:

- Excellent:** As good as new, sell for approx. 75% of new price
- Good:** The broadest category, sell for approx. 50% of new price
- Poor:** Torn or missing cover or pages, stains, drawings, 5 or more pages with permanent marks (ink or highlighter, etc.) sell for approx. 25% of new price.

Poor quality books are regarded as donations - you will not be paid for them.

Unsold or overstocked books may be discounted during the year, this will reduce your payment.

You will receive a cheque for 70% of the selling price of good and excellent quality books **after they sell**. Cheques and statements are issued in February and September. The remaining 30%, plus profits from selling donated or poor quality goods, goes to the work of the School Chaplain.

IMPORTANT: WE CAN ONLY ACCEPT BOOKS ON THIS LIST.

A full list of sellable books for Yr 7 – 12 can be found on compass newsfeed.

Workbooks: If the book has spaces for students to write in answers the KHS 2nd Hand Shop will **not accept a copy for sale if it has been used at all**. Rubbing out or using correction fluid will not make the book acceptable.

Unsellable books left for processing (unlisted ePack components, wrong editions, unlisted books, workbooks with writing in them or books in very poor condition or with offensive drawings) will not be returned to you.

Please don't drop them in just in case, if you don't want them please recycle them.

No receipts are issued, please take a photo / copy of this form for your records.

Donations, we can only accept donations of books on the list. Donations can be deposited in the marked collection bin at the school office.

Books that do not have an activation code specified will be deemed to have NO active code and therefore sold at the cheapest price.

Personal information included on this form is securely stored and will only be used for correspondence regarding sale or collection of second hand goods. Personal information for seller cheques may be verified with Kew High School.
