NB: The Second Hand Shop is not able to tell if a book has an active code or how many times it has been activated. Please contact the publishers if you have any issues with code activation. PLEASE ACTIVATE YOUR CODE BEFORE FEBRUARY 8 as we will not be able to refund or make changes to the book after that date.

NELSON

Each new book comes with a Student Access Card (inside back cover). This card contains **FOUR codes, you scratch / activate one code and leave the card in the back of the book to allow access for three others.** In this way the printed book can be used across four years by four consecutive students.

OXFORD

oBook – oBooks contain an electronic code that once activated is transferrable for the life of the book.

JACARANDA

If you are the second or third user of a Jacaranda print book registration code, you will have access to the 'LITE version' of your textbook. This 'LITE version' gives you access to the digital version of your text online **without** access to any learnON or studyON features. These are not a compulsory requirement for Kew High students.
